

## THE SPARK NOTES VERSION OF OUR GUIDE

A group of power-hungry politicians have put a set of highly deceptive propositions on your ballot this election. These misleading and confusing propositions have been designed to trick you into voting away your democratic rights. We're asking you to vote **no** on Proposition 133, 134, 136, 137, and 138 to defend the will of the people.

PROP. NUMBER	WHAT IT DOES	OUR RECOMMENDATION
<b>133</b>	Forces taxpayers to pay for the primaries of all major parties.	 <b>VOTE NO</b>
<b>134</b> 	Makes it almost impossible to run a ballot initiative by allowing a small group to block it.	 <b>VOTE NO</b>
<b>136</b>	Lets wealthy corporations bury an initiative they don't like in lawsuits while it's still just struggling to gather signatures.	 <b>VOTE NO</b>
<b>137</b> 	Cancels all votes on retention elections this year. Makes it impossible to hold the Justices who approved Arizona's total abortion ban accountable.	 <b>VOTE NO</b>
<b>138</b>	Allows tipped workers to be paid a sub-minimum wage.	 <b>VOTE NO</b>
